

Warrington Dolphins LDSC

Newsletter : May 1999

Dear All,

Here's a brief summary of events so far this year and some future dates for your diaries.

Firstly, congratulations to Paul and Fiona on the birth of their son, Patrick. Another future member of the Warrington Dolphins L.D.S.C along with sister Becky !

Well done to all who participated in the Postal Swim, many team medals were won in several age groups which demonstrates the current strength of the Club.

To round-off the Sunday training sessions the annual Bob Keating / Dick Dickenson handicaps were held. Support for this event wasn't brilliant but thanks to all who entered. Congratulations to Dave Feakes and Nick Hunter-Chat on being the closest to their estimated times.

Now to future events :-

- a) This Saturday, May 15th, is the Budworth Mere 1 mile Handicap at Budworth Mere Sailing Club. Everybody is welcome, both swimmers and spectators.

Please be there at 9.45am for a 10.00am start.

Any volunteers to count laps, keep times etc. would be appreciated.
- b) The 5th June is the date for our Budworth Mere Championships. Entry forms are on the Club noticeboard or available directly from me. The closing date for entry is 29th May.
- c) Friday July 2nd is the Marbury Mile Handicap at Marbury Pool which starts at 7.00pm. Again, just turn up on the night. Please note that there is no training at Warrington Baths on this date due to it being Walking Day.
- d) The Albert Dock Championships are on Saturday 7th August. Entry forms are available from Tony Johnson.
- e) The Annual Dinner is on Saturday 13th November (please make a note in your diary now!) at the Bulkeley Suite, Padgate Collegiate.

Please try to support these events whether swimming, spectating or helping with the organisation.

Here's to a successful outdoor season with long hot sunny days and warm water!

Lesley Feakes
